

## IR Blaster

### Technical Attributes

Mode of operation	Voice, Mobile app
Material	Polycarbonate
Color	Black
Product dimensions	56mm x 56mm x 20mm
Product weight	31gms
Input power	DC 5V, 2A
IR frequency	20-50Khz
Power consumption	0.6W idl, 5W max
Range	8 meter(line of sight)
Operating temperature	0°C - 65°C non condense
Shock proof	Yes
Water resistance	No
Warranty	5 Years
Connection	Wi-Fi, Local LAN
Wi-fi frequency	Wi-Fi 2.4G (b/g/n)
Operation	Android and iOS

### Features

Moderate size

Scheduling

Predefined remote

User-friendly UI
