

## Touch Panel

Model No : TPRW.8XXNH

### Technical Attributes

|  |  |
|--|--|
| Combination                                    | 1 Humming free fan<br>0 Dimmable load<br>7 Normal load<br>1 Heavy load |
| Mode of operation                              | Physical, Voice, Mobile app, IR remote                                 |
| Module size                                    | 6M(8*3)  |
| Touch panel material                           | Acrylic, Glass, Wood, Marble   |
| Touch panel dimensions                         | 240mm x 95mm x 10mm  |
| Operating voltages                             | 100-240 VAC.   |
| Warranty                                       | 5 Years  |
| Touch panel shockproof                         | Yes  |
| Touch panel water resistance                   | Yes  |
| Contact type                                   | Capacitive   |
| Switch type                                    | IR switch  |
| Mounting type                                  | Wall mount   |
| Button touch switch                            | 8  |
| Remote control working range                   | 8 meter  |
| Support  | On-Off   |
| Wireless type                                  | Wi-Fi 2.4 GHz 802.11 b/g/n   |
| App support                                    | Android / iOS / Web  |
| Controller type                                | Third party application  |
| Max.load (fan)                                 | N/A  |
| Max.load (per dimmer, up to 3 LED)             | N/A  |
| Max.load (per normal load switch, up to 3 LED) | 1500 watt  |
| Max.load (per high load switch, up to 4 LED)   | 2500 watt  |

### Features

Internet independent scheduling

Anti-shock switching

Compatible with traditional switches and capacitive switches

OTA update support

Hassle free installation

3-way touch control
